II PROFESSIONAL COLLEGES.

3. Rajahmundry—Government Training College.

I. (a) *Historical Account* —

The beginnings are to be traced to the Elementary Normal School opened by the District Board, Godavari, in 1883, which seven years later was raised to the rank of a Secondary Grade Normal School, and after a lapse of two more years, was taken over by the Government in 1892. With the opening of the L T Class in February 1894, approved by the Government on the recommendation of Dr Duncan in their G O No 519, Educational, dated 18th July 1893, the school attained to the status of a college, and was placed under the supervision of the Principal of the local Arts College. The Union High School, then transferred by the private managers to the Government, served as a Model School, and the High School classes with the L T and Secondary Training classes were held in the Arts College, while the lower departments worked in a rented building in the centre of Innispet. This arrangement continued till 1899, when, on the completion of the present substantial building, the whole Training College, with the Model School, was removed to it. It then consisted of the L T Upper Secondary, Lower Secondary, and Primary Departments, with the Model School, which had only the forms from the first to the sixth. The Vice-Principal, an officer of the Provincial Educational Service, managed the work with a competent staff of teachers, under the superintendence of the Principal of the Arts College.

The Training College became fairly popular, and the L. T. class numbered 17 in 1910. The outlay incurred on account of the College was, however, considered far outstrip its usefulness, and, on the proposal of Dr Bourne, approved by the Government in G. O. No 155, Educational, dated 15th March 1909, the L. T. class was removed from Rajahmundry and amalgamated with the Teachers' College, Saidupe, in July 1911, when that College was enlarged and reorganized to train annually about one hundred graduates.

In 1914 the scheme of reorganization of the Higher Elementary Training schools having come into force, the Higher and Lower Elementary Training classes were transferred to the jurisdiction of the Inspector of European and Training schools, and were removed to a separate rented building.

The Provision for the training of the Telugu graduates at Saidupe was soon found to be inadequate, especially in view of the more pressing demands of the northern districts. The proposal (which had been under consideration for some time past) to re-open a Teachers' College for the Telugu districts at Rajahmundry was sanctioned by Government in G. O. No 580 Educational, dated 26th May 1916, but had to be postponed on financial grounds to the year 1917. The proposal was to train a batch of fifty graduates a year, and the staff, which should not be inferior to that of the Teachers' College, Saidupe, should include specialists in English, Mathematics, Science, History and Geography. The College has now been placed under a separate Principal, and the institution is thus made quite independent of the Arts College.

The new Training College was opened on the 2nd July 1917, and since then about 1617 graduates have undergone training.

(b) *Management*.—The College is managed by the Madras Government under the control of the Director of Public Instruction, Madras.

II *Endowments*.—There are no endowments belonging to the college department.

III *Special Subjects Taught*.—

In the College Department all the students undergoing Secondary training as well as the students of the Mathematics, History and Geography sections of the B. Ed. Class take a course in wood-work. For the B. Ed. Examination the students are prepared in the special methods of teaching Mathematics, Physical Science, History and Geography.

IV *Library*.—The library contains 13,574 volumes. The figure includes the volumes in the sectional libraries.

V *Hostel Facilities*.—A hostel is attached to the College exclusively for the benefit of the B. Ed. students.

III FIRST GRADE COLLEGES.

5. Cocanada—Pittapur Rajah's College.

I (a) *Historical Account*—Established in 1852 through the exertions of Mr Prendergast, Collector, and Mr Tulasinga Chettiar, his Sheristadar, for imparting general education in English and Vernacular to pupils drawing from all sections of the community, the Institution gradually fell into a languishing condition in course of a decade but was given a fresh impetus in 1862 by Mr Purvis, the then Collector, and Mr K. Jagannadham Pantulu, his Deputy. It was endowed with a sum of Rs 28,000 besides the grant of a spacious building site by the then Rajah of Pithapuram in 1866, in which year it first presented candidates for the Matriculation Examination under the name of Hindu High School. In 1884 it was raised to the status of a Second Grade College when it assumed the present designation of "Pittapur Rajah's College". It was under the management of a Council of 21 members for several years up to 3rd August 1909, when it was handed over to the present Maharajah, Pithapuram to be controlled by him as Trustee and Manager with a Committee of 7 comprised of elected and *ex-officio* members besides his own representatives. The College with the Secondary Department was finally transferred to the Maharajah as sole Proprietor at the beginning of the academic year 1926—27, when it was elevated by him to the First Grade. The Institution is thus a permanent charge on the Pithapuram Estate. Since its first transfer to his management, the Maharajah has given the College about Rs 4,23,860—2-9 for equipment and towards annual deficits.

(b) *Management*—The Institution is managed by the Maharaja with the help of a Committee of three members nominated by him—Diwan Bahadur Dr. Sir R. Venkata Ratnam, Kt. M.A., L.T., D.Litt (Andhra), LL.D., the Dewan of the Estate, and the Principal (*ex-officio*), the last named being also both Convener and Correspondent.

The following is the personnel of the Committee —

6. Guntur—Andhra Christian College.

1. (a) *Historical Account*. In the year 1848 the first English school of the Mission was opened in Guntur. Largely from lack of funds and from difficulties arising out of the American Civil War, the school was closed in 1863. In the year 1874 it was re-opened and organised as a High School under the Principalship of Rev L. L. Uhl, Ph D., D.D., and from this time the school steadily increased in numbers and influence. The first College class was organised in 1885 and the school was affiliated as a Second Grade College in September of that year.

Through the energetic efforts of Dr. Uhl and friends in America funds for the development of the College were secured. The Watts Memorial Building was erected and was occupied in 1898. Since 1898 the progress of the institution has been steady.

In the years 1916-18 the Mission authorities in America raised a sum of 1,70,000 dollars for the equipment and endowment of the college. With a part of this money the Uhl Memorial Building was erected and the remaining monies are held as endowment for the Institution.

During the years 1924-26 a sum of more than eight lakhs was secured by the Mission authorities for the development of the institution. As a step in this direction the College was affiliated as a First Grade College in March 1926.

The Church Missionary Society is now co-operating with the Lutheran Mission in the maintenance of the College so that now the College is a union Missionary institution. The Rev A. Bagshaw, M.A., (Oxon), the representative of the C.M.S. on the Andhra Christian College staff, is Warden of Noble Hall.

(b) *Management*. The College is supported and controlled by the Board of Foreign Mission of the United Lutheran Church in America. The management of the College is vested in the Council of the Indian Mission of the United Lutheran Church, which appoints the Principal and the Bursar and sanctions the Annual Budget, but the Managing Committee of the institution is really the College Council, whose membership is fixed by the Bye-Laws of the Mission Council.

In the internal administration of the College the Principal is assisted by the Staff Council, which consists of all the full-time Lecturers on the College staff.

The following is the personnel of the Managing Committee —

(1) (a) *Historical Account* —

The institution was founded on the 1st January 1856 by the distinguished South Indian Scholar and Statesman the late Sir Seshairah Sastriar of revered memory, under the name of the Hindu Anglo-Vernacular School, primarily for the benefit of the Hindu community who then desired a good general education for their children free of any unfair interference with their religion from aggressive missionary Christianity. In 1868 it developed into a High School and acquired the Central block of buildings together with the extensive compound of 38 acres, thanks to the strenuous exertions of the then President Mr. Mungamuri Narasimham Pantulu. 21. **Rajahmundry—Andhra Women's Sanskrit College**

- 1 (a) *Historical Account* — Sriyuta Nalam Ramalingayya Garu of Cocanada founded the Vysya Seva Sadanam in 1920, an institution for the educational and cultural advancement of women and girls and endowed the institution with lands yielding an annual income of Rs. 50,000 for acquiring a suitable building. The Kalasala is the educational branch of the Seva Sadanam. To-day, situated in its own beautiful building and extensive premises the institution has on its rolls over a hundred and fifty girls and young women.

The institution fulfils two needs — the need of the young girl for education and the need of the helpless young women for sympathy and support. While it imparts therefore education having a cultural value, it also provides for vocational course such as would enable young women to earn an independent living. The subjects taught are literary courses in Telugu, Sanskrit, English, and Hindi besides Arithmetic, History, Geography, Elementary Science, Music, (Veena, Harmonium, Violin and Flute) garment making, embroidery, needle work, fretwork, free-hand drawing and painting.

The institution has been recognised both by the Andhra University and the Director of Public Instruction, Madras. Since this is the first recognised College preparing ladies for the Oriental Title Examination, the management hopes that young women all over the Andhra Desa will take advantage of the College in large numbers
